

GENERAL INFORMATION SHEET
RAPESEED CONTAINER WAX
(PHC TW9512)

Rapeseed Container Wax is a carefully adjusted blend of hardened and partially hardened rapeseed oil specifically made for the production of container and jar candles. Rapeseed Container Wax is sustainable produced in the European Union and can be coloured with dyes and pigments (subject to stability tests). Rapeseed container wax offers excellent fragrance retention and scent release. PHC TW9512 Rapeseed Container Wax is a high performance product, off white/ivory in colour with strong environmental credentials
