

CRUDE RICE BRAN WAX (PHC 3437)

Crude Rice Bran wax is a natural vegetable wax extracted by the winterisation of bran oil. Chemically, it is a mix of esters, glycerol esters with trace levels of hydrocarbons and sterol/sterol esters. Light brown in colour, with excellent oil gelling properties, Rice Bran Wax can be a useful replacement for darker grades of Carnauba, Montan and Candelilla in polishes, TTR, printing inks and numerous industrial applications.

Packaging: 25 Kilo bags.

MP: 70 - 80°C

AV: 3 - 15 mg KOH/g

INCI: Oryza Sativa (Rice) Bran Cera

IODINE VALUE: < 25

SV: 85 -120 mg KOH/g

EINECS: 232-409-7

COLOUR : Brown

PRODUCT FORM : Pellets/Lumps

CAS: 8016-60-2

Product Status

- Organic
- Natural
