

RAPSEED PILLAR CANDLE WAX (PHC TW9562)

A carefully blended wax manufactured from hardened and partially hardened rapeseed oil with minimal synthetic additive, specifically used to produce pillar candles and formulated to produce a porcelain-like finish to the candle. TW9562 offers excellent fragrance retention and scent throw qualities and is resistant to frosting. TW9562 provides a clean, long lasting burn and can be used for pillar candles, wax melts and votives.

Available light and creamy pellets. Packaging: 25 Kilo bags.
