

YELLOW BEESWAX BLEND (PHC 8669)

Yellow Beeswax Blend (PHC 8669) is a cosmetic grade product containing beeswax and a special combination of waxes formulated to produce a cost-effective alternative to pure beeswax, whilst reproducing the physical, chemical and performance characteristics. Blend 8669 provides excellent oil binding characteristics with good emulsifying abilities, plasticity, structure and texture improvements. Suitable for use in the cosmetic, pharmaceutical and personal care applications.
