

VEGAN WAX (PHC 9675)

Vegan Wax (PHC 9675) A blend of natural, vegan and palm free waxes and oils originally designed for use as a base for dental floss coatings replacing Beeswax. Compatible with natural and synthetic ingredients including fragrances, pigments and oils. Vegan Wax (PHC 9675) has great flexibility combined with oil binding characteristics. Good colour and low in odour. A yellow waxy solid useful as a beeswax replacement and food approved.

Available in slab form. Packaging: 25 Kilo bags/carton.
