

ORGANIC WHITE BEESWAX BP/PH EUR (PHC 2000)

A white to ivory coloured pure beeswax having a faint characteristic odour. Beeswax provides excellent oil binding characteristics with good emulsifying abilities, plasticity, structure and texture improvements. It is used in many cosmetic, pharma and personal care applications including, lipstick and lip balm, creams and lotions, massage waxes, ointments, release agents, pomades and aromatic candles. This product is COSMOS certified by The Soil Association.
