

EUROSOY CB 400 CONTAINER WAX (PHC 3417)

EuroSoy CB 400 is a high-quality soy wax produced within the European Union. CB 400 gives a smooth and creamy appearance and thanks to its low melting point, is quick to melt, clean burning and has excellent glass adhesion leaving a smooth top after pouring. CB 400 Will hold up to 10% or more in most fragrances, although 7-8% is usually more than enough and provides an impressive fragrance throw.

Packed in 25 kilo cartons as a block or as pellets in 25 kilo poly bags.

MP: 43-48°C

Needle Penetration : 46

Congealing Point : 38-42°C
