

RAPESEED & COCONUT CONTAINER WAX (PHC 3449)

NatureWax® Elite 600 (PHC 3449) is a natural wax blend of rapeseed oil and coconut oil. The wax blend originates from purely vegetable sources and is free from paraffin and synthetic additives. Elite 600 is suitable for making container candles and is a good alternative to soy wax. Elite 600 is vegan, has a melting point of 39 - 42 °C and is produced in The EU. This wax is ideally suited for the addition of fragrance oils and candle colours. The maximum addition of fragrance oils is 6 %. Available in 25 Kilo solid block form.

Packaging: 25.00 Kilo cartons.
