

REFINED RICE BRAN WAX POWDER (PHC 3434P)

Refined Rice Bran wax is a natural vegetable wax extracted from the bran oil of rice. Chemically, it is a mix of esters, glycerol esters with trace levels of hydrocarbons and sterol/sterol esters. Rice Bran can be a useful replacement for Carnauba or Candelilla wax particularly in mascara, lipstick and other oil-based formulations. Available as a white to off-white powder.
